## **ANNOUNCEMENT ON TYPOGRAPHICAL MISTAKE IN THE INTERIM REPORT 2001**

The Directors would like to announce that there is a typographical mistake on page 4 of the English version of the interim report 2001 of the Company and its subsidiaries (together, the “Group”) delivered and/or mailed to the shareholders of the Company on 15 November, 2001. The net loss of the Group for the three months ended 30 September, 2001 stated in the third line of note 5 on that page should be “HK\$(493,906)” but not “HK\$493,906” as stated in the English version of such interim report. The mistake was attributable to a deletion of the brackets by the financial printing company at the time of bulk printing of the interim report. The amended version of the interim report 2001 of the Group has been posted on the GEM website with the domain name of [www.hkgem.com](http://www.hkgem.com).

The Directors were not aware of such typographical mistake until the financial printing company informed them on 22 November, 2001. The Directors consider that such mistake is immaterial and should not affect the contents of the interim report 2001 of the Group as a whole.
